Greetings from President Mona M. Choy

Aloha,

Summer has officially arrived! As many of you prepare for your summer adventures, I wish you a relaxing time whether you're enjoying a scenic circuit around our island or traveling abroad. During the second quarter, we paid our respects to the ancestors resting at Manoa Cemetery during Ching Ming. We also attended member society celebrations and were honored to be part of their milestones.

Our theme this year is "Reconnection and Growth."

From April to June, we sponsored a workshop on "How to conduct an effective board meeting," where certified speaker Richard Emery shared "Robert's Rules" and how to apply them at our board meetings. We also hosted our first annual "Society President's Forum" and "General Membership meeting," both well-attended events that participants requested we continue in 2025. Our next member's workshop, "Understanding your Social Security and Medicare Benefits," is scheduled for September 21, focusing on pre-retirement planning and benefit maximization.

On June 29, co-chairs Ivy Yeung and Jill Fukumoto kicked off their "Journey Through Chinese Culture: Dumpling Folding and Storytelling" event. These young leaders enjoyed a hands-on experience making traditional Chinese dumplings and shared a delicious lunch. Guest speakers Ms. Jamie Chang from Oo Syak Gee Lu Society and Ms. Liane Fu from Kung Sheong Doo Society were also there to share their fascinating society histories. We're excited to see NexGen membership grow and please encourage young leaders from your societies to connect with Ivy or Jill if interested in participating.

For those interested in exploring Taiwan, Hong Kong, Macau, and Zhongshan, join our goodwill tour from November 10 to 26. This all-inclusive journey will take you to beautiful vistas and historic landmarks, treat you to delicious Asian cuisine, and let you rest and relax in 5-star hotels for the next day's adventure.

Our UCS event calendar is available on our website, new events are added periodically so please check back often. We encourage you and your members to take advantage of our exciting events and educational workshops.

Your feedback and suggestions are vital to improving our programs and identifying topics of interest, so please don't hesitate to contact us. We look forward to hearing from you!

Xie Xie and Mahalo Nui Loa!

The lake surrounds a tiny island called Lalu and the east side resembles a sun while the west side resembles a moon, hence the name. Upon arrival, we will visit **The Hanbi Trail**. It is also well known in China and several foreign countries. Upon arrival, we will first visit **Yuyupas**. Our applicants have an extensive application to complete with essays. Applicants must be OSGL members for at least six months, and pursuing a higher education at a two-year or four-year accredited college, trade school or technical school (excluding graduate, postgraduate school, or internships), and must have a minimum GPA of 2.7 or higher. Scholarships are based on scholastic achievement, extra-curricular activities, leadership, and community involvement. Our scholars this year have once again surpassed our expectations.

Xie xie 謝謝 to OSGL Scholarship Committee - Kendrick Chang (chairperson), Jamie Chang, Debbie Chun, Justin Mau, and Lori Yuh. And a big mahalo to this year's judges - Jan Harada, Dr. Roger Kimura, and Jetson Yee for your hard work in judging our applicants this year. It wasn't an easy task with only five scholarships to give away, and 10 applicants. This event wouldn't have been a success without you!

Congratulations again to our OSGL 2024 scholarship recipients!

She has always served on the Nomination Committee, assisting in selecting the next slate of officers and directors each year. She mentioned that she would like retire from being a Director, and accept the position of Honorary Director. She is 94 years young and stated that she's had her time. Now she would like to see the younger generations step up and begin leading the society.
